Additional Information.

1. Tariff plans is available for new subscriptions and swaps (USSD *120#) for Prepaid system subscribers.
2. Monthly subscription fee charge and allowances assignment terms:
 - Date of monthly subscription fee charge (in a monthly period) is the date of subscription / tariff change to Internet 60 tariff plan.
 - In case of sufficient funds on the balance, tariff fee charges and allowances will be assigned in full (for new subscriptions).

- In case of insufficient funds amount / a negative balance to cover monthly tariff fee amount - the deduction (fee payment) does not occur, allowances (voice, text, data) by tariff plan terms will not be assigned and tariff fee will not be charged to the debt.
- In case of negative balance or insufficient funds to cover monthly subscription fee, monthly fee (fee deduction) will not be charged and voice, text, internet data allowances within tariff plan will not be assigned, subscriber's balance will not be charged to the debt.
- Subscription fee charges once per month from the date of successful monthly fee charge within tariff plan terms. The date of next monthly subscription fee charge is the date of previous successful tariff fee charge.
- Monthly subscription fee charges and monthly voice, text, internet data allowances within tariff occur from 00:00 to 08:00 (time of charge is not fixed). It should be sufficient amount of funds on the balance for full successful charge of monthly tariff fee.
- in case of a negative balance or insufficient funds to cover monthly tariff fee, subscriber's mobile number will be moved to "blocked" status. The subscription fee will not be charged until top up till sufficient amount.
- Monthly subscription fee will be charged immediately when the subscriber's balance is replenished with sufficient amount of funds for subscription fee charge. In case of successful tariff fee charge, the mobile number moves to 'Active' status and tariff monthly allowances will be assigned in full. Next to this, tariff fee will be charged basing on new monthly cycle within the 1 month interval from the date of last successful tariff fee charge.

3. Monthly voice, text, internet data allowances by tariff terms will be assigned only after successful monthly tariff fee charge in current period. Monthly allowances assign for one month from date of charge. Remaining monthly allowances will be transferred to the next month if tariff fee is paid in time. Transferred allowances from previous period are available till the end of the next month' period.

- If tariff fee is not charged in time within billing period, remaining allowances from previous period will not be transferred to the new month period.
- To avoid misunderstandings, please, be sure of sufficient amount top up to cover monthly tariff fee and check the allowances assignment by tariff terms using the USSD request (*100#).
- Within 'block' status, remaining allowances under the terms of monthly internet data packages are available to subscriber until their expiration date.
- When monthly allowances within tariff plan are over, calls and SMS will be charged according to the costs listed under the terms of the tariff plan (Tariffing).
- When monthly internet data allowance within tariff plan terms is over and there is no extra activated internet data package, access to Internet will be postponed. Subscriber receives SMS with a link to Internet access recovery. To recover an access, please choose the one of the following options:
 - **Activate Restart service;**
 - **Activate an internet package;**
 - **Continue using mobile internet by the cost of 1MB over tariff terms allowances***

* If subscriber selects an option of **using mobile internet by the cost of 1MB over tariff allowance** and then purchases Monthly Internet data package, the **'using mobile internet at the cost of 1MB over allowance'** option reapplies when the package is over.

Subscriber can activate 'Continue using mobile internet at the cost of 1MB over allowance' option by dialing USSD request of *727# as well.

When access to the Internet is blocked, in order to use available payment system apps, the subscriber must disable 'data transfer' mode for correct operations in offline mode.

Attention:

- in case of tariff change to a higher ranked tariff (Sof 70, Sof 100 и Sof 150), remaining assigned allowances by previous tariff will be summed up and available until the previous tariff expiration date.
- in case of tariff change to a lower ranked tariff (to Start 10, Ovoz 15, Sof 18, Sof 30, Sof 40 and Sof 50), remaining assigned allowances by previous tariff will be nulled.
- in case of tariff change to Sof tariff line or Start 10, Ovoz 15, Internet 60 from the other tariffs, the remaining allowances by previous tariff will be nulled.
